Dear Wang Ping,

I am studying at a vocational school now. In the morning, we study English and maths in the classroom. In the afternoon, we do skills training in different places. Some of us work as cashiers in shops or as tour guides for travel agencies. Some work as hotel staff or as secretaries in companies. We also have classes in factories. The workers there show us how to use the modern machines. It's quite interesting.

I'm really happy at this new school. How are you doing? Write and tell me.

Yours,
Li Wei

More Activities

① **Read and think.** 读邮件，想想你的校园生活和王萍的有何不同。🎧

Hi, Li Wei,

I'm very busy at my new school. We have to take many subjects, such as Chinese, maths, English, physics, chemistry and PE. I find it really difficult to learn English. My English teacher always asks us to memorise a lot of new words. We study over 10 hours a day. I almost have no time for fun.

Love,
Wang Ping

Tips:

学习英语不能靠死记硬背单词，而是要把重点放在记忆经常搭配使用的词组上。这样才能用得上，记得牢。

John, in London

“At the end of every school year, we have Speech Day. The head teacher and some guests make speeches. Last year, J. K. Rowling came to our school. Her speech was very inspiring. I love her so much.”
