Enjoying Yourself

Listen to the song and sing along.

My Heart Will Go On

Every night in my dreams
I see you, I feel you
That is how I know you go on
Far across the distance
And spaces between us
You have come to show you go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on

Love can touch us one time
And last for a lifetime
And never let go till we're gone
Love was when I loved you
One true time I hold you
In my life we'll always go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on

You're here, there's nothing I fear
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart
And my heart will go on and on
